

## PRODUCT INFORMATION

|                    |                     |
|--------------------|---------------------|
| Application Type   | Step Lights         |
| Housing Colour     | Black               |
| Housing Type       | Die Cast Aluminum   |
| Colour Temperature | 2700K, 3000K, 4000K |
| Dimmable           | No                  |
| Controls           | On/off              |
| Wattage Upto       | 5W                  |
| Size               | 80x83x185mm         |
| Lumen              | 490Lm               |
| Input Voltage      | 240V                |
| Driver             | Inbuilt             |
| IP Rating          | IP65                |
